A: Setting up your notebook: `source !%load_ext pydoop !%pip install -r requirements.txt !%pydoop cell/V2.1.1.py` Run the cell: `!%run notebook/V2.1.1.ipynb` Then open the notebook in a browser and it will run without having to initiate a Kaggle Notebook. I cannot use the `!%run notebook/V2.1.1.ipynb` syntax but the above should get you going. and the Commission a statement of the grounds upon which it based its allowance of costs. Plaintiff contends that it is entitled to recover all of the following costs: a. Labor b. Travel and subsistence c. Meals d. Photostrips \*260 e. Fees and disbursements f. Pasting by plaintiff and his counsel g. Assignments made The plaintiff claims that it is entitled to recover those expenses which were reasonably necessary to the prosecution of the case. It contends that a larger allowance is justified since certain of these costs could have been recovered as disbursements or in connection with the admissions, stipulations and concessions of the defendant. The plaintiff claims that it was the victim of a conspiracy on the part of the defendant to avoid the effect of the liquidated damages provision of the contract. This conspiracy was allegedly evidenced by the

defendant's false answer and the false affidavit of Mr. Gillingham.

However, we do not deem it necessary to decide whether a conspiracy resulted. It is clear that the plaintiff may recover those costs which are reasonable. In Nos. 9, 10, 18, 19 and 20, the Travel Expenses of plaintiff were paid by his employer, the American Thread Company, and were therefore not allowable to the plaintiff. Only those expenses not paid by the plaintiff's employer, and which are in furtherance of the case, are allowable. We will divide the remaining costs into two categories: (1) Those items which plaintiff has described as personal in nature, and the allowance of which will depend on whether plaintiff has carried the burden of proving that they were reasonable and necessary; and (2) The remaining items which are costs of general operation in the usual course of the plaintiff's business. Turning to the first category, we believe that the assignment of the photostrips to
